Re: October Quarterly Report (7/1/06 - 9/30/06)/Response to Inquiry

Dear Ms. Grant:

This letter is in response to your preliminary review of the Texans for Henry Cuellar Congressional Campaign's ("Committee") October Quarterly Report (7/1/06 - 9/30/06). That report disclosed that one or more contributions appear to exceed the contribution limits; receipt of contributions designated for the general election that were received after August 4, 2006, the day that the U.S. District Court for the Eastern District of Texas set as the special open election; incorrect Column B figures for Lines 6(a), 6(c), 11(c), 11(e) and 16; discrepancy in aggregate election cycle-to-date totals of individual or committee contributions; the election cycle-to-date totals for certain entries on the report indicates that additional contributions may need to be itemized; incomplete identification of the federal candidate committees; and missing information on the current status of the Committee's International Bank of Commerce loan. We are amending the above-mentioned report to address your inquiry.

First, the Committee reviewed the list of contributors identified in your letter and from conversations with you. The Committee has discovered that some contributions appeared to be from the same individuals but in fact were from different individuals or the contributions were mistakenly designated to the wrong election cycle or the Committee's database did not properly reflect the individuals to whom the partnership contribution should be attributed.

Provided below is the explanation for the contribution identified in your letter and discussed with you.

- **Javier Cantu:** There are two different persons named Javier Cantu listed in the database. Both have different addresses. One Javier Cantu is a medical doctor and the other is trucking company owner.
- **Salvador Garcia, Jr.:** There are two different persons named Salvador Garcia, Jr. Both have different addresses. One Salvador Garcia, Jr. is a physician and the other is a partner in a company.
- **Ronald J. Levy:** There are two different persons named Ronald Levy. Both have different addresses. The other Ronald Levy doesn't have a middle initial.
